

# A DAY IN OLD APPALACHIA TOUR PACKAGE

The Museum of Appalachia is a historic village and working farm in the Southern Appalachian mountains. Enjoy a day of exploring authentically furnished cabins in the pioneer village and gardens. Take a stroll through our scenic grounds as well as our Hall of Fame and Display Barn with more than 250,000 artifacts and relics on display. Enjoy farm animals in their natural setting and experience southern hospitality at its finest.

**\$34.95 per person includes a self-guided tour, a live music performance by the Museum of Appalachia Band and a *delicious* Southern Appalachian country buffet!**

After your self-guided tour, sit down to a full Southern Appalachian country buffet in our comfortable banquet hall and enjoy authentic traditional and bluegrass music from our own Museum of Appalachia Band. After the meal, browse our museum gift shop for American-made crafts and gifts, many from local and regional artisans, or relax in a high-backed rocking chair on our covered porch overlooking the scenic museum grounds.

The *New York Times* has hailed the Museum of Appalachia as a “*discovery of a way of life*” and the official Tennessee Blue book recognizes the Museum as the “*most authentic and complete replica of pioneer Appalachian life in the world.*”
